

Board on Agriculture National Research Council	
631.5233	
Ge	GENETIC engineering of plants : agricultural research opportunities and
E5565	policy concerns / edited by Board on Agriculture National Research Council . -- Washington, D. C. : National Academy , 1984 .
	x, 83 p. : fig. ; 26 cm .
	Includes index. .
	0-309-03434-5
	1. CROPS - Genetic engineering
