

TP538

MAIZE and other cereal crops specialization : Group 1, 2, 3, 4 . --
Aungban , 2012-2013 .
4 papers : fig., table ; 30 cm .
Comparison of agronomic characteristic and yield of potato clones
... , Comparison of agronomic characteristics and yield of some
introduced potato cultivars ... , Characterization and yield
comparison of... , Cost and benefit analysis on
1. POTATO
