

TP539

SOIL and water management specialization : Group 1, 2 . -- Yezin ,
2012-2013 .
2 papers : table ; 30 cm .
Comparison of saturated hydraulic conductivity of salt-affected soils
and optimizing the effective reclamation methods, Effects of
potassium fertilizer rates on hybrid rice (Palethwe-1) grown in
different soils .
1. SOILS, FERTILIZER
