

T1591

Myo Than Tun

Temperature-dependent nymphal development models of paromius exiguus (Distant) (Hemiptera: Lygaeidae) on imperata cylindrica and calamagrosits epigeios and its population dynamics in the fields / Myo Than Tun , Prakash, R. , Kumar, N. Kishore . -- Korea : Soual National University , 2013 .

viii, 52 p. ; 26 cm .
